**Instructions for Completing the 2014-15 International Student Financial Aid Application**

The International Student Financial Aid Application is designed to gather information from international students who are applying for financial aid at colleges and universities in the United States. When completing the application, it is important to:

- answer all questions that apply to you and your family;
- convert all currency figures to U.S. dollars ($) before entering them on the form; and
- return the form directly to the college that provided or requested it. Do not send it to the College Board.

Some of the questions on the International Student Financial Aid Application are self-explanatory; the instructions that follow are only provided for questions that may need further explanation.

**Section A—Student’s Information**

This section pertains to the student who is applying for aid.

**Section B—Parents’ Information**

On this application "parents" means the custodial parent(s) — the parent or parents (or legal guardian) the student lives with. If the student’s biological or adoptive parents are divorced or separated, the custodial parent(s) are the parent or parents with whom the student has lived the most during the 12 months prior to filling the application. If the custodial parent has remarried, "parents" includes the student’s biological/adoptive parent and stepparent.

15. Write in the number of people who live in your parents’ household and are supported by their income.

16. Complete all parts of this question. Include family members counted as your dependents in question 11 and/or counted as your parents’ dependents in question 15.

**Section C—Financial Information**

17. Most colleges require you to submit documentation to verify information on this form. Check with the college to determine its requirements.

**Section D—Asset Information**

Asset information pertains to the parents or to the student and the student’s family if the student is married and lives independently of the parents.

Write in the value of assets and, where asked, any debt against the asset as of the time you complete this application.

**Section E—Expenses**

29. Write in the annual amount your family spent on the items listed. If you do not know the actual amount, please estimate.
