_________________________   Date _______________

(Registrar’s Signature)

Notes:
1. The deadline for declaring a minor is the end of the early-semester break of the spring semester of the senior year.
2. Student must declare their Major Field of concentration before declaring a minor.
3. Each department has a copy of its own requirements. Students should check with the department convener for their requirements.

Please return completed form to the Registrar's Office
