## AN EDUCATION FOR GOOD

★ How do we measure success? At Earlham, it all comes down to the ways our students and alumni are shaping the world. Earlham is a collaborative learning community that inspires and motivates, providing transformative opportunities and experiences—so our students are better equipped to be catalysts for good in a changing world.

- 1 Earlham is one of only 40 schools in the U.S. selected for *Colleges That Change Lives*.
- 2 We are ranked 11th for diversity among all liberal arts colleges, according to Niche.com.
- 3 Earlham is ranked 4th for percentage of international students among liberal arts colleges—23 percent, according to *U.S. News and World Report*.
- 4 The Earlham advantage ensures that every student has the opportunity to pursue a funded, career-discerning internship or research experience before graduation.
- 5 In the last 10 years, Earhamites have won 26 Fulbright awards, 13 Watson Fellowships and two Rhodes Scholarships—some of the most prestigious awards available for international study and travel.
- 6 Earlham is recognized as one of the nation's 20 best classroom experiences according to *The Princeton Review*.
- 7 *U.S. News and World Report* places Earlham on its "Best Value" list, and the Fiske Guide to Colleges also lists us at one of the "Best Buys" in higher education.
