Welcome to Earlham!
NEW STUDENT ORIENTATION
AUGUST 7-14, 2020
Welcome to Earlham College!

We have spent the summer awaiting your arrival and are thrilled that you are now here on campus or with us around the world. The Office of Student Life welcomes you and looks forward to celebrating with you all the many accomplishments that you will experience as Earlham College students.

Orientation is the first introduction to all that awaits you on your Earlham pathway. You will meet new friends, faculty, staff, team mates, hall mates and build lots of other new relationships. We are here to both encourage and challenge you to explore new ways of knowing and being in this intentional living learning community.

The New Student Orientation Staff are your student leaders and an amazing resource to assist you as you navigate your new campus home. The Student Residential Life Staff are here to assist you in learning to live in and contribute to this community. The Student Life Team welcomes you to an exciting beginning that we look forward to sharing your path toward from this new moment through your commencement in May 2024!

Welcome friends!
