Earlham College
801 National Road West, Drawer 195
Richmond, IN 47374

Please keep pages 2 and 3 for your reference.
**POLICY AND DEADLINE**

**On-Campus Residency Policy**

Within the broad context of Principles and Practices, the Residence Life program is shaped by a view of residence halls and houses as learning environments. The most important learning that occurs outside the classroom takes place between students (Schroeder and Mable, 1994). Because of the positive impact an on-campus residential environment has on the learning process and the College curriculum, Earlham College requires all undergraduate students under the age of twenty-three as of the first day of classes to live in approved on-campus, Earlham College housing facilities.

**On-Campus Housing Exemption Policy**

Because of the limitations of the College’s facilities, any student who is married, joined in a civil union, within a domestic partnership (as defined by the Office of Residence Life), or the parent/legal guardian of a child/dependent or children/dependents may be exempt from the on-campus residency requirement. Recognizing, also, the unique circumstances of each student, any student who has a parent/legal guardian maintaining a permanent residence within thirty miles of Earlham College, is an honorably discharged military veteran, or is participating in an approved Earlham College academic program which requires off-campus residency may be exempt from the on-campus residency requirement. Students with a qualifying disability may submit documentation through the Center for Academic Enrichment to determine what special housing accommodations can be made. An approved exemption from housing shall last for an academic year. Housing exemption must be re-requested for each academic year.

**Deadline**

All housing exemption requests for the 2015-16 academic year must be completed and submitted by June 1, 2015 for the 2015-16 academic year. For new students who are accepted to Earlham College after the June 1 deadline, they are allowed a two week period after their acceptance to complete and submit a housing exemption request.

**REASONS FOR HOUSING EXEMPTION**

Below are listed the reasons, in alphabetical order, the Office of Residence Life will grant a housing exemption and their associated definitions and parameters. Please read the below carefully. If you have questions, please contact the Office of Residence Life.

**Approved College Program**

- Students participating in an approved Earlham College academic program which requires the student live off-campus may be exempt from the on-campus residency requirement.
- The Office of Residence Life will be in communication with the academic program’s faculty and staff in determining the necessity of housing exemption.
- Typical examples of approved college programs are the study abroad program or student-teaching programs.

**Commuting From Home**

- Students who have a parent/guardian with a permanent residence within a 30 mile driving radius of Earlham College may be exempt from the on-campus residency requirements.
- The Office of Residence Life, to determine the driving radius, will utilize [www.mapquest.com](http://www.mapquest.com) and [https://maps.google.com](https://maps.google.com). The best possible route will be used to evaluate the exemption request.

**Married/Civil Union/Domestic Partnership**

- Students who are married, joined in a civil union, or within a domestic partnership – or will be married, joined in a civil union, or within a domestic partnership – during the Fall semester may be exempt from the on-campus housing residency requirement.
- Marriage and civil union status must be established with a copy of the student’s marriage/union certificate provided with the Housing Exemption Request Form. If the wedding is upcoming, the student should include the date of the wedding and provide a copy of the marriage/union certificate within thirty days after the wedding. If a certificate copy is not received that timeframe, the student’s exemption may be subject to void...
and the student liable for housing charges per the on-campus residency policy.

- Domestic partnership is defined as an established, long-term relationship with an exclusive mutual commitment in which the partners share the necessities of life and ongoing responsibilities of welfare. Domestic partnership may be established by providing a domestic partnership statement and at least two supporting documents identified as acceptable by the Office of Residence Life. Please refer to the “Domestic Partnership Exemption Supplemental Information Form” for details.

**Raising Dependent Children**

- Students who are raising a child, children, and/or legal dependent(s) may be exempt from the on-campus residency requirements.
- The student must provide documentation of legal guardianship for the dependent(s). For example, a legal dependent which is the child of a student may be demonstrated through a copy of the child’s birth certificate.

**U.S. Military Veteran**

- Students who are an honorably discharged, U.S. military veteran may be exempt from the on-campus residency requirements.
- The student must provide a copy of the military discharge paperwork (DD-214).

---

**HOUSING EXEMPTION PROCEDURE**

**General Procedure**

1. To begin the Housing Exemption process, a student should submit a completed Housing Exemption Request Form to the Office of Residence Life by the deadline.
2. Once the Housing Exemption Request is received, the Office of Residence Life will review this request and approve, deny, or ask for additional information. The student will be communicated with about their exemption request status via their Earlham email. All requests received by June 1 will be processed by June 15. Subsequent requests after the June 1 deadline from new students will be processed as soon as possible.

**Decision Appeal**

3. Students wishing to appeal the decision by the Office of Residence Life may submit a written appeal to the Associate Dean of Student Development/Director of Residence Life – Shane Peters – within five (5) business days after the original decision. This appeal should be sent via email or post through the addresses below. In the appeal, the student should clearly and concisely articulate why he/she believes the Housing Exemption Policy and its definitions applies to his/her situation.
4. The Associate Dean of Student Development shall review the appeal and respond, in writing, and his decision shall be final.
