

TUITION BENEFIT REQUEST FORM - Tuition for a Dependent Child

Employee Name: _____ Hire Date: _____

Employee Status (circle one): EC Faculty EC Staff ESR Faculty ESR Staff Grant-funded position

Please read the Faculty or Staff Handbook sections about Tuition Remission for important information about this benefit. Eligibility is limited to those who satisfy the minimum years of service requirement. The benefit applies only to tuition – other fees, and charges such as room and board, are not covered by this benefit (for example: music lesson class fees and course fees, including May Term). Contact the Human Resources Office if your son or daughter is interested in off-campus study, as this benefit may only be applied to one off-campus program per student, and there are additional limitations for programs that are not administered by Earlham or GLCA-approved.

YOU MUST SUBMIT A FAFSA to the appropriate college's Financial Aid Office, using that college's aid application deadlines. This includes those students attending Earlham. The tuition benefit cannot be calculated until the financial aid application process is complete.
