

## **Earlham-Sponsored Semester and Year Study Abroad Scholarships**

### **Due Date:**

**September 15** for spring study abroad programs and **February 15** for fall study abroad programs. Applications should be submitted to IPO. Applications are not accepted after the posted deadline.

### **Criteria:**

Students are selected for these scholarships based on the quality of the applications combined with a demonstrated financial need, as determined by IPO in consultation with the Financial Aid Office.

### **Ad Mundum**

The Ad Mundum (Latin for "to the world") Scholarship was established to assist deserving students who want to study abroad for a semester or year with an Earlham sponsored program but find it difficult to manage the added travel expense associated with such study. Award amounts vary according to program location and financial need, and may not cover the entirety of the applicant's travel expenses to the program location. This scholarship was endowed in 1993 by Deborah Gerner ('77) and her husband, Philip Schrodt. Deborah passed away in 2006. Recipients of the Ad Mundum Scholarship are required to write a thank-you note to Philip Schrodt to express appreciation for the assistance.

### **Jose Royo Spain International Travel Fund**

The Jose Royo Spain International Travel Fund was established to help expose Earlham students with limited financial resources to the language, history, arts, literature, politics and cultures of Spain. The fund may be used to help support travel expenses related to the Earlham spring semester study abroad program in Spain or to help with tuition and fees for May Term experiences based in Spain. Recipients of this award are required to contact the donors upon return from their travel experience to share what they learned and how the experience shaped or inspired them.

### **The Lillian Broox Manis Endowed Scholarship**

The Lillian Broox Manis Scholarship was established to assist students who share Lilli's passion and inquisitive interest in Japanese Studies to travel to Japan to study and learn. This scholarship was established by the family and friends of Lillian Broox Manis, who was enrolled in Earlham's entering class of 2008. On July 12, 2008, before Lilli had the opportunity to live that dream, she tragically lost her life in a car accident when a drunk driver hit her. Her family and friends established this scholarship to remember her life, her interests, and her goals. Recipients of the Lillian Broox Manis Scholarship are required to attend a luncheon with the Manis family and to periodically write to the family while in Japan.

### **The Simon Scholarship**

The Simon Scholarship was established in 2008 to assist Earlham students who are participating in off-campus programs or other educational travel opportunities that they wouldn't otherwise be able to afford. Esther Mary Pearson Simon '51 was a 4<sup>th</sup> generation Earlhamite, and she had fond memories of her time at Earlham, where she majored in Biology. This travel scholarship fund honors Esther's boundless energy, curiosity about the natural world and other cultures, sense of adventure, and love of travel. This fund can be used to cover travel costs for an off-campus study program during the Earlham academic year, or for tuition or travel costs during May Term.
