How to Become an Advocate on GiveCampus

Make your impact at Earlham by encouraging your classmates, family, and friends to support Earlham Day 2019.

With the "Advocate" features on GiveCampus, spreading the word about Earlham Day 2019 is easy, fun, and rewarding. You can help other donors’ gifts go further, add your own story to the campaign, and even track how many clicks, gifts, and dollars your outreach is driving in real time.

The first step to becoming an Advocate is to sign up for a GiveCampus user account. Visit givecampus.com and click ‘Sign Up’ in the top right of the page. Once you’re signed up for and logged into your GiveCampus user account, you can become an Advocate for Earlham Day 2019 by taking one-- or better yet, all!-- of the following steps:

1) **Start a match or challenge!** Great advocates lead by example and you can leverage your gift to encourage others to give! Offering a Match means that you’ll give a number of dollars for each dollar or donor that the campaign receives up to your specified maximum gift amount. You can restrict Matches to only apply to donors from an affiliation group, class year, or even a specific group of friends. Offering a Challenge means that you’ll give a gift only if the campaign receives a certain number of donors or dollars after you set up the Challenge. Challenges cannot be restricted to specific donor groups.

2) **Create a Personal Plea.** A Personal Plea is a quick video in which you tell the Earlham community why you’re excited about the campaign, and why others should get involved. Shooting a short “selfie” video on your cell phone is all you need to do to add your story to the campaign! After recording your video, head to the Advocates tab on the campaign page to upload your Personal Plea.

3) **Share the campaign link.** The built-in sharing buttons (located underneath the campaign video and on the Advocates tab) generate a campaign link that is unique to you. When you use these buttons to share the campaign link while logged into your GiveCampus user account, the number of clicks, gifts, and dollars generated by your outreach will be tracked next to your name on the Advocates tab. Share on Facebook and Twitter to blast your friends’ feeds with news about the campaign, and share over text and email to make direct, can’t-ignore, peer-to-peer asks. Share early and share often!
