

REOPENING RULES & GUIDELINES FOR WELLNESS CENTER

Screening must be completed upon entry for all patrons. Those who have any of the following characteristics will NOT be allowed to enter:

- Have had a fever of 100.4°F or greater in the last 24 hours;
- Have a cough, difficulty breathing, sore throat, or loss of taste or smell;
- Had contact with a person known to be infected with COVID-19 within the previous 14 days.

In addition, staff and visitors must have their temperature checked by digital thermometer prior to entry. No one with a temperature greater than 100.4°F will be allowed entrance.

Face Coverings

- Face masks and/or coverings are required in all Campus facilities. Upon completion of screening the use of a face mask or covering is dependent upon type of activity and facilities used.

Shower and Locker Room Facilities

- Locker rooms will be accessible for use of restrooms only. There is NO use of showers at this time. Patron should arrive dressed for activity. Social distancing must be maintained while in locker rooms.

Cleaning and Sanitizing

- Hand sanitizer is available throughout the facility.
- Patrons and staff should ensure that all exercise machines or equipment are sanitized after each usage (via wipe-down with provided sanitizer).

Social Distancing

- Maintain proper spacing from others by working out with 12 to 15 feet between each person. This requires some equipment to be unavailable or moved.
- Avoid personal contact at all times, including hand shaking.
- Individual training session and workouts requiring a partner must maintain 12 foot spacing between each person at this time.
