This document is an outline of the coverage provided under your employer's benefit plans based on information provided by your company. It does not include all the terms, coverage, exclusions, limitations, and conditions contained in the official Plan Document, applicable insurance policies and contracts (collectively, the "plan documents"). The plan documents themselves must be read for those details. The intent of this document is to provide you with general information about your employer's benefit plans. It does not necessarily address all the specific issues which may be applicable to you. It should not be construed as, nor is it intended to provide, legal advice. To the extent that any of the information contained in this document is inconsistent with the plan documents, the provisions set forth in the plan documents will govern in all cases. If you wish to review the plan documents or you have questions regarding specific issues or plan provisions, you should contact your Human Resources/Benefits Department.
The College’s goal is to provide you with the most comprehensive benefit package possible while balancing our fiscal commitments and obligations.

**Benefits Offered**

- Medical Insurance
- Dental Insurance
- Vision Insurance
- Employer Paid Life and Accidental Death & Dismemberment (AD&D) Insurance
- Supplemental Life and AD&D Insurance
- Flexible Spending Account (FSA)
- Employer-Paid Long-Term Disability
- Employee Assistance Program

**Who Is Eligible?**

Benefits are available to all full-time employees and their dependents who meet specific eligibility requirements. The plan allows coverage for an employee’s legal spouse, domestic partner and/or child(ren), including biological, adopted, or stepchildren, covered from birth to the end of the month they turn age 26. If your spouse/partner is eligible for group coverage under his/her employer’s health plan, they are not eligible for Medical benefits under the Earlham plan.

Active eligible employees, regardless of age, are eligible for benefits under the College’s Health Plan.

**Important Contact Information**

If you would like to find an in-network provider, or ask detailed questions about your benefits, you may contact the insurance companies/service provider directly.

Changing your benefits during the year

With the Cafeteria Plan, including employee contributions on a pretax basis and the FSA, it is important that you make your elections during your enrollment period carefully because you can only make changes during the year if you have a qualified life event according to IRS regulations listed below.

Changes to your benefits can be made if preceded by a documented qualified life event and they are made within 31 days of the event. Your change must be consistent with your life event/status change. Listed below are some events that qualify for a change in coverage. For a complete list, please reference your Cafeteria Plan document.

- Marriage
- Divorce or legal separation
- Birth or placement for adoption of a child
- Ineligibility of a dependent
- Loss of other coverage
- Change in your employment status or that of your spouse
- A court order
- Entitlement to Medicare or Medicaid

If you experience one of these events and want to change your benefits, you must make the change within 31 days after the event occurs. Contact Human Resources for details to ensure the change is made correctly. If you miss the window for making a change, you will need to wait until the next open enrollment period to make a change.
Medical Insurance

The Who’s Who for Earlham College’s Medical Plans

• **UMR is the claims administrator for the medical plans.** They determine if you and your dependents are eligible for benefits and process your claims. Contact UMR for questions concerning eligibility, benefits, or status of claim payments. Customer Service can be reached at 800.207.3172.

• **RxBenefits is the administrator of your pharmacy benefits.** Member Services is available to assist members with any questions or concerns regarding their pharmacy benefits, such as: benefit details, claims status, pharmacy network, coverage determination/inquiries, mail and specialty scripts, and pharmacy information and can be reached at 800.334.8134.

Terms You Should Know

**Deductible:** The amount you pay for covered health care expenses before your insurance starts to pay. For example, with a $2,000 calendar year deductible, you pay the first $2,000 of covered services.

**Coinsurance:** The percentage of costs of a covered health care service you pay (20%, for example), after you have paid your calendar year deductible.

**Out-of-Pocket Maximum:** The most you have to pay for covered services in a plan year. After you spend this amount on deductibles, copayments, and coinsurance, your health plan pays 100% of the costs of covered benefits.
Medicare/Retirement

Medicare and Group Health Plan Coverage

When you reach age 65 and you are retired, you have a number of important decisions to make. These may include whether to enroll in Medicare Part B, join a Medicare Prescription Drug Plan, buy a Medigap policy, and/or keep employer or retiree coverage. Understanding your choices may help you avoid paying more than you need to for Medicare Part B and other insurance, and get the coverage that’s best for you. You can visit www.medicare.gov and select “Compare Medicare Prescription Drug Plans” and “Compare Health Plans and Medigap Policies in Your Area.” You can also call your State Health Insurance Assistance Program. To get their telephone number, call 1.800.MEDICARE (800.633.4227). TTY users should call 877.486.2048.

Medicare Part B benefits are optional and are available to all beneficiaries when they become entitled to Medicare Part A. Medicare Part B may be purchased by most persons age 65 and over. Although participation in Medicare Part B is optional, the College’s health plans will pay as if Medicare Part B has been elected when Medicare is primary. See chart below to determine when Medicare is primary. **Failure to purchase Medicare Part B when Medicare is primary will drastically affect an individual’s ability to recover any costs incurred for physician services and other Medicare Part B covered items.**

Medicare Part D (prescriptions)

Those eligible for Medicare are provided a letter of creditable coverage by the College. The letter states that the prescription drug program currently provided by the College’s Healthcare Plan meets or exceeds Medicare Part D. Medicare participants are advised that they may select the College’s prescription drug plan instead of Medicare Part D. The purpose of the letter is to allow Medicare eligible persons to join Medicare Part D at a later date, if they choose, without paying a late entrant “penalty.” This letter will be provided annually each fall.

Home delivery really delivers

Millions of people enjoy the convenience of home delivery for medicines they take on a regular basis. Your plan recommends home delivery from the Express Scripts Pharmacy™. It’s easy to get started, your medicine is delivered right to your door about eight days after your prescription is received and delivery is free. That’s why home delivery is preferred by your plan.

Here’s how you can get started with home delivery

- **ePrescribe**
  Ask your doctor to send your prescription electronically to the Express Scripts Pharmacy

- **Call the number on the back of your card**
  Talk with a prescription plan specialist

- **Log-in**
  1. Log-in at express-scripts.com
  2. Scroll down to ‘Transfer to Home Delivery’ section, select the medicines you want to refill to Home Delivery
  3. Check out

Register at express-scripts.com and you can:

- Transfer medicines to home delivery
- Refill and renew prescriptions
- Track your home delivery order status
- View claims, balances and prescription history
- Manage account settings and payment methods

Join the millions of Americans who already enjoy the safety and convenience of home delivery from the Express Scripts Pharmacy.

If you have any questions about home delivery from the Express Scripts Pharmacy or your prescription benefit, please call the number on your member ID card.

Vision Program

VSP Vision Benefit
Earlham College and VSP provide you with an affordable eye care plan. Please see the chart to the right for details.

**Personalized Care.** VSP doctors take the time to get to know you and your eyes. They’ll look for vision problems and signs of other health conditions too.

**Doctor Network.** You’ll find the VSP choice provider who’s right for you at [www.vsp.com](http://www.vsp.com) or by calling 800.877.7195. VSP doctors offer flexible hours, a variety of office settings, and eyewear choices you’ll love.

**Value and Savings.** You’ll get great savings on your eye exam and eyewear, and discounts on laser vision correction.

A VSP Vision ID card will not be provided. All you need to do is let your vision provider know that you are a VSP member and they will take care of the rest.

Voluntary Life and AD&D Insurance

You can purchase additional life and AD&D insurance for yourself, your spouse and your children. When you and your spouse enroll for Voluntary Life you will automatically be enrolled for matching AD&D.

For Employees: Choice of $10,000 increments not to exceed 5 times your basic annual earnings or $500,000.
Guarantee Issue: $150,000

For Spouse: Choice of $5,000 increments not to exceed 50% of employee’s election or $100,000. You must enroll for Voluntary Life and AD&D to add coverage for your spouse.
Guarantee Issue: $25,000

For Children: Choice of $5,000 or $10,000 for children age from 6 months to age 26. Children 14 days to 6 months limited to $250. You must enroll for Voluntary Life and AD&D to add coverage for your child(ren).

Enroll Online. You will see the cost for coverage based on your age and your selection of voluntary life coverage.

• Timely applicants enter within 30-days of eligibility date. Guarantee Issue applies.
• Premiums for your spouse are based on your age.
• Guarantee Issue requirements do not apply to late applicants or members increasing benefits as Evidence of Insurability is required.
• Premiums are banded in 5-year increments and will automatically adjust on your birth-date.
• No age reductions
• Benefits terminate at retirement. Portability and Conversion Privilege are available upon termination.
Earlham College has chosen to sponsor a Flexible Spending account, of “Flex Plan” as one of your insurance benefits. Flex is an IRS-approved method of paying for your ‘out-of-pocket’ expenses for health, dental, vision and qualified Over the Counter expenses with pre-tax dollars.

Earlham’s flexible spending plan is administered by BPC: [www.bpcinc.com](http://www.bpcinc.com).

Register at [www.pbcinc.com/participants/home](http://www.pbcinc.com/participants/home). Once registered you can safely and securely submit claims for reimbursement or manage your flexible spending account.

Download the BPC Benefits Mobile App for iPhone, iPad, iPod Touch and Android at the App Store or on Google Play.

- BPC has tools to help you manage your flex account including: A Video Library to learn more about the advantages of Flex Accounts.
- Tools and Calculators to assist in how much you should contribute Flex Account and how much tax saving you will have based on your annual election.

**Healthcare Flexible Spending Account**

A healthcare flexible spending account can be used to pay for out-of-pocket medical, dental, vision, and hearing expenses not covered by insurance. The 2021 IRS maximum plan year election is $2,750.

**Dependent Care Flexible Spending Program**

A dependent care flexible spending account allows you to be reimbursed for qualified child care and dependent care expenses using pretax dollars. If you are married and file a joint return, the annual IRS limit is $5,000. If you are married and file separate returns or you are single, you can elect $2,500 for the plan year. To qualify for the dependent care flexible spending account, you and your spouse must be employed, or your spouse must be a full-time student.

**Eligible Dependents**

- Children under age 13 who are claimed as a dependent for tax purposes
- Disabled spouse or disabled dependent of any age
Long-Term Disability

Earlham pays 100% of your Long Term Disability insurance premium.

- **Explanation of benefits.** Is it unclear to you what the insurance covered on a particular claim and what is your responsibility?
- **Prescription/pharmacy problems.** Is the pharmacy telling you that your medication is not covered or charging you full price? Do you need help getting an authorization on a medication?
- **Benefits questions.** Are you unsure if the insurance will pay for a certain procedure?
- **Claim issues.** Did you receive a bill from a doctor but don’t know why?
- **Difficult situations.** Are you having difficulty getting a referral? Has the insurance carrier denied a procedure and you want to appeal their decision?

You have a Team of Advocates ready to handle any situation in a discreet and confidential manner.

**Allowed Amount.** Maximum amount on which payment is based for covered healthcare services. This may be called “eligible expense,” “payment allowance” or “negotiated rate.” If your provider charges more than the allowed amount, you may have to pay the difference. (See Balance Billing.)

**Balance Billing.** When a provider bills you for the difference between the provider's charge and the allowed amount. For example, if the provider’s charge is $100 and the allowed amount is $70, the provider may bill you for the remaining $30. A preferred provider should not balance bill you.

**Beneficiary.** The person(s) you name to receive certain benefits (such as life insurance) upon your death.

**Brand Name Drug:** Medications are marketed under a trademark-protected name and are often available from only one manufacturer.

**Coinsurance.** The percentage of covered medical or dental expenses that you must pay. For example, if your plan pays 80%, you must pay the remaining 20%.

**Copayment.** A fixed amount you pay for a covered healthcare service, usually at the time of service.

**Deductible.** The amount of medical or dental expenses you must pay each year before your plan begins paying benefits.

**Emergency Medical Condition.** An illness, injury, symptom or condition so serious that a reasonable person would seek care right away to avoid severe harm.

**Evidence of Insurability (EOI).** An application process in which you provide information about the condition of your health or your dependent's health in order to be considered for certain types of insurance coverage.

**Explanation of Benefits (EOB).** The document you receive from the insurance company after your claim is filed and processed. The EOB shows how much of the expense the plan covered and how much you may be expected to pay.

**Formulary Brand Name Drug:** A list of prescribed medications that are preferred by your plan because they are safe, effective alternatives to other generics or brands that may be more expensive. The formulary has a wide selection of generic and brand-name medications.

**HIPAA (Health Insurance Portability and Accountability Act of 1996).** A federal law that addresses the privacy of patient health information. The “privacy” regulations give patients greater access to their own medical records and more control over how their personal health information is used. Also, the law defines the obligations of health care providers and health plans to protect patient records.

**Hospitalization.** Care in a hospital that requires admission as an inpatient and usually requires an overnight stay.

**Hospital Outpatient Care.** Care in a hospital that doesn’t require an overnight stay.

**In-Network Provider.** The facilities, providers and suppliers your health insurer or plan has contracted with to provide healthcare services.

**Maximum Annual Benefit.** The maximum amount the plan pays for specific services (such as dental or chiropractic) for a covered individual, each plan year.

**Medically Necessary.** Services and supplies that the insurance company determines to be consistent with generally accepted practices for the diagnosis of an illness or injury, or the medical care of a diagnosed illness or injury. Only medically necessary services and supplies are covered by the plan.

**Out-of-Network Provider.** The facilities, providers and suppliers who don’t have a contract with your health insurer or plan to provide services to you. You’ll pay more to see an out-of-network provider.

**Out-of-Pocket Limit.** Is the most you have to pay for covered medical expenses in a year. Once you’ve reached the out-of-pocket maximum, the plan pays 100% of eligible expenses for the remainder of the plan year. This limit never includes your premium, balance-billed charges or charges the plan doesn’t cover.
**Plan.** A benefit your employer, or other group sponsor provides to you to pay for your healthcare services.

**Plan Year.** The period of time in which plan coverage and records are based. For the College’s plan, it is the calendar year. (For example, the annual deductible, annual out-of-pocket maximum, and maximum annual benefit all apply to expenses incurred during the plan year.)

**Preauthorization.** A decision by your health insurer or plan that a healthcare service, treatment plan, prescription drug or durable medical equipment is medically necessary. Sometimes called prior authorization, prior approval or precertification.

**Premium.** The amount you pay for your health care coverage and other benefits, through payroll deductions.

**Primary Care Physician.** A physician who provides both the first contact for a person with an undiagnosed health concern as well as continuing care of varied medical conditions, not limited by cause, organ system, or diagnosis. The following types of providers are PCPs: family practitioners, general practitioners, pediatricians, internal medicine, and gynecologists.

**Specialist.** A physician specialist focuses on a specific area of medicine or a group of patients to diagnose, manage, prevent or treat certain types of symptoms and conditions.

**Urgent Care.** Care for an illness, injury or condition serious enough that a reasonable person would seek care right away, but not so severe as to require emergency room care.

**Voluntary Benefits.** Optional benefit plans sponsored by the employer, but fully paid for by employees who elect coverage. These benefits are generally available at special group rates or discounts, making them more cost-effective than employees could obtain on their own.

**Waiver of Premium.** Rider or provision included in the life insurance policy exempting the insured from paying premiums after insured has been disabled for a specified period of time.
# Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are not currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 877.KIDS.NOW or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askeba.dol.gov](http://www.askeba.dol.gov) or call 866.444.EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2020. Contact your state for more information on eligibility.

Important Notice from Earlham College About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Earlham College and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Earlham College has determined that the prescription drug coverage offered by the Medical Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Earlham College coverage will not be affected. For those individuals who elect Part D coverage, coverage under the entity’s plan will coordinate with Part D coverage. If you do decide to join a Medicare drug plan and drop your current Earlham College coverage, be aware that you and your dependents may be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Earlham College and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.
If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage…
Contact the person listed below for further information. NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Earlham College changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage…
More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For More Information About Medicare Prescription Drug Coverage:
• Visit www.medicare.gov.
• Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help.
• Call 1.800.MEDICARE (1.800.633.4227). TTY users should call 1.877.486.2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1.800.772.1213 (TTY 1.800.325.0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Women’s Health & Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

• All states of reconstruction of the breast on which the mastectomy was performed;
• Surgery and reconstruction of the other breast to produce a symmetrical appearance;
• Prostheses; and
• Treatment of physician complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan.

If you would like more information on WHCRA benefits, call Blue Cross Blue Shield of Illinois.

Newborns’ and Mothers’ Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

HIPAA Notice of Privacy Practices

Your Information. Your Rights. Our Responsibilities.

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

Your Rights

You have the right to:

• Get a copy of your health and claims records
• Correct your health and claims records
• Request confidential communication
• Ask us to limit the information we share
• Get a list of those with whom we’ve shared your information
• Get a copy of this privacy notice
• Choose someone to act for you
• File a complaint if you believe your privacy rights have been violated
Your Choices

You have some choices in the way that we use and share information as we:

- Answer coverage questions from your family and friends
- Provide disaster relief
- Market our services and sell your information

Our Uses and Disclosures

We may use and share your information as we:

- Help manage the health care treatment you receive
- Run our organization
- Pay for your health services
- Administer your health plan
- Help with public health and safety issues
- Do research
- Comply with the law
- Respond to organ and tissue donation requests and work with a medical examiner or funeral director
- Address workers compensation, law enforcement, and other government requests
- Respond to lawsuits and legal actions

Your Rights

When it comes to your health information, you have certain rights. This section explains your rights and some of our responsibilities to help you.

Get a copy of health and claims records

- You can ask to see or get a copy of your health and claims records and other health information we have about you. Ask us how to do this.

- We will provide a copy or a summary of your health and claims records, usually within 30 days of your request. We may charge a reasonable, cost-based fee.

Ask us to correct health and claims records

- You can ask us to correct your health and claims records if you think they are incorrect or incomplete. Ask us how to do this.

- We may say “no” to your request, but we’ll tell you why in writing within 60 days.

Request confidential communications

- You can ask us to contact you in a specific way (for example, home or office phone) or to send mail to a different address.

- We will consider all reasonable requests, and must say “yes” if you tell us you would be in danger if we do not.

Ask us to limit what we use or share

- You can ask us not to use or share certain health information for treatment, payment, or our operations.

- We are not required to agree to your request, and we may say “no” if it would affect your care.
Get a list of those with whom we've shared information

- You can ask for a list (accounting) of the times we’ve shared your health information for six years prior to the date you ask, who we shared it with, and why.

- We will include all the disclosures except for those about treatment, payment, and health care operations, and certain other disclosures (such as any you asked us to make). We’ll provide one accounting a year for free but will charge a reasonable, cost-based fee if you ask for another one within 12 months.

Get a copy of this privacy notice

- You can ask for a paper copy of this notice at any time, even if you have agreed to receive the notice electronically. We will provide you with a paper copy promptly.

Choose someone to act for you

- If you have given someone medical power of attorney or if someone is your legal guardian, that person can exercise your rights and make choices about your health information.

- We will make sure the person has this authority and can act for you before we take any action.

File a complaint if you feel your rights are violated

- You can complain if you feel we have violated your rights by contacting us using the information on page 3.

- You can file a complaint with the U.S. Department of Health and Human Services Office for Civil Rights by sending a letter to 200 Independence Avenue, S.W., Washington, D.C. 20211, calling 877.696.6775, or visiting [www.hhs.gov/ocr/privacy/hipaa/complaints/](http://www.hhs.gov/ocr/privacy/hipaa/complaints/).

- We will not retaliate against you for filing a complaint.

Your Choices

For certain health information, you can tell us your choices about what we share. If you have a clear preference for how we share your information in the situations described below, talk to us. Tell us what you want us to do, and we will follow your instructions.

In these cases, you have both the right and choice to tell us to:

- Share information with your family, close friends, or others involved in payment for your care

- Share information in a disaster relief situation

  *If you are not able to tell us your preference, for example if you are unconscious, we may go ahead and share your information if we believe it is in your best interest. We may also share your information when needed to lessen a serious and imminent threat to health or safety.*

In these cases we never share your information unless you give us written permission:

- Marketing purposes

- Sale of your information
Our Uses and Disclosures

How do we typically use or share your health information?
We typically use or share your health information in the following ways.

Help manage the health care treatment you receive
We can use your health information and share it with professionals who are treating you.
Example: A doctor sends us information about your diagnosis and treatment plan so we can arrange additional services.

Run our organization
• We can use and disclose your information to run our organization and contact you when necessary.
• We are not allowed to use genetic information to decide whether we will give you coverage and the price of that coverage. This does not apply to long-term care plans.
Example: We use health information about you to develop better services for you.

Pay for your health services
We can use and disclose your health information as we pay for your health services.
Example: We share information about you with your dental plan to coordinate payment for your dental work.

Administer your plan
We may disclose your health information to your health plan sponsor for plan administration.
Example: Your company contracts with us to provide a health plan, and we provide your company with certain statistics to explain the premiums we charge.

How else can we use or share your health information?
We are allowed or required to share your information in other ways – usually in ways that contribute to the public good, such as public health and research. We have to meet many conditions in the law before we can share your information for these purposes. For more information see: www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/index.html.

Help with public health and safety issues
We can share health information about you for certain situations such as:
• Preventing disease
• Helping with product recalls
• Reporting adverse reactions to medications
• Reporting suspected abuse, neglect, or domestic violence
• Preventing or reducing a serious threat to anyone’s health or safety

Do research
We can use or share your information for health research.
Comply with the law
We will share information about you if state or federal laws require it, including with the Department of Health and Human Services if it wants to see that we’re complying with federal privacy law.

Respond to organ and tissue donation requests and work with a medical examiner or funeral director
• We can share health information about you with organ procurement organizations.
• We can share health information with a coroner, medical examiner, or funeral director when an individual dies.

Address workers compensation, law enforcement, and other government requests
We can use or share health information about you:
• For workers compensation claims
• For law enforcement purposes or with a law enforcement official
• With health oversight agencies for activities authorized by law
• For special government functions such as military, national security, and presidential protective services

Respond to lawsuits and legal actions
We can share health information about you in response to a court or administrative order, or in response to a subpoena.

Our Responsibilities
• We are required by law to maintain the privacy and security of your protected health information.
• We will let you know promptly if a breach occurs that may have compromised the privacy or security of your information.
• We must follow the duties and privacy practices described in this notice and give you a copy of it.
• We will not use or share your information other than as described here unless you tell us we can in writing. If you tell us we can, you may change your mind at any time. Let us know in writing if you change your mind.

For more information: www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/noticepp.html.

Changes to the Terms of this Notice
We can change the terms of this notice, and the changes will apply to all information we have about you. The new notice will be available upon request.
HIPAA Special Enrollment Rights

Initial Notice of Your HIPAA Special Enrollment Rights

Our records show that you are eligible to participate in the College’s Health Plan (to actually participate, you must complete an enrollment form and pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan—your right to enroll in the plan under its “special enrollment provision” if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Loss of Other Coverage (Excluding Medicaid or a State Children’s Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children’s Health Insurance Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children’s health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents’ coverage ends under Medicaid or a state children’s health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for Medicaid or a State Children’s Health Insurance Program. If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents’ determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan’s special enrollment provisions, contact your plan administrator.
Michelle’s Law

Michelle’s Law requires group health plans to provide continued coverage for certain dependents who are covered under Earlham College group health plan as a student if they lose their student status because they take a medically necessary leave of absence from school. This continuation of coverage is described below.

If your dependent is no longer a student, as defined in the plan, because he/she is on a medically necessary leave of absence, your dependent may continue to be covered under the plan for up to one year from the beginning of the leave of absence. This continued coverage applies if, immediately before the first day of the leave of absence, your dependent was (1) covered under the plan and (2) enrolled as a student at a post-secondary educational institution (includes colleges, universities, some trade schools and certain other post-secondary institutions).

For purposes of this continued coverage, a “medically necessary leave of absence” means a leave of absence from a post-secondary educational institution, or any change in enrollment of the dependent at the institution, that:

• begins while the dependent is suffering from a serious illness or injury,
• is medically necessary, and
• causes the dependent to lose student status for purposes of coverage under the plan.

The coverage provided to dependents during any period of continued coverage:

• is available for up to one year after the first day of the medically necessary leave of absence, but ends earlier if coverage under the plan would otherwise terminate, and
• stays the same as if your dependent had continued to be a covered student and had not taken a medically necessary leave of absence.

If the coverage provided by the plan is changed under the plan during this one-year period, the plan will provide the changed coverage for the dependent for the remainder of the medically necessary leave of absence unless, as a result of the change, the plan no longer provides coverage for these dependents.

If you believe your dependent is eligible for this continued coverage, the dependent’s treating physician must provide a written certification to the plan stating that your dependent is suffering from a serious illness or injury and that the leave of absence (or other change in enrollment) is medically necessary.

Coordination with COBRA Continuation Coverage

If your dependent is eligible for Michelle’s Law’s continued coverage and loses coverage under the plan at the end of the continued coverage period, continuation coverage under COBRA may be available at the end of Michelle’s Law’s coverage period and a COBRA notice will be provided at that time.

Questions?

If you have any questions regarding the information in this notice or your dependent’s right to Michelle’s Law’s continued coverage, or if you would like a copy of your Summary Plan Description (which contains important information about plan benefits, eligibility, exclusions, and limitations), you should contact your Benefits Administrator at 765.983.1619.
