A few things to keep in mind as you prepare to pack for Earlham Summer.

- 1. Contact the camp staff regarding medications.** If you have allergies or need to take medication daily, please contact the staff ahead of time. Earlham Summer programs staff will be administering all medications.
- 2. Label all belongings.** Include your first and last name on as many belongings as possible. You'd be surprised how many campers bring identical items!
- 3. Bring layers.** Indiana summer temperatures can reach the 90s, but Indiana often experiences all four seasons in one week. Come prepared for weather changes.
- 4. Pack some extra Ziplock or plastic bags.** Clothes and shoes can get muddy or dirty, so pack some spare bags for such occasions.
